

EVO2

LED POOL LIGHTS

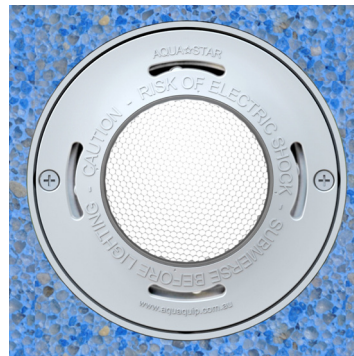

AQUAQUIP

www.aquaquip.com.au

Modern and elegant niche lighting system resulting in the “flushest” pool light available.

- The beauty of the Evo2 Light is how unobtrusive they sit on a pool wall, protruding just 6mm.
- Evo2 incorporates the latest generation LED technology and thermal management system to ensure maximum light output and reliability.
- Installation is made effortless due to the Quick Connect Plug Kit fitted to the cable, enabling detachment of pool light lamp when needed.
- The stylish and modern Evo2 can be further enhanced with the addition of the optional mirror-polished stainless steel trim ring.
- Available in fixed colours of blue, white and warm white – as well as multi-colour.
- Multi-colour lights can be operated from Aqua-Quip’s InstaTouch Smart Lighting Controller, a wall switch or a variety of third party control systems.

Evo2 pictured on typical pool wall. Image on cover shows Evo2 with the optional stainless steel dress ring.
