LED POOL LIGHTS

PRO
SERIES

RGB+W

CONCRETE COMPACT PIPE LIGHT

NEW to the range of Aqua-Quip LED lights, featuring the same market-leading technology, the EvoLV Compact Pipe Light is the ideal choice for both new pool construction and for renovations.

The compact wet-niche allows for versatility in light positioning and is ideal for intricate areas such as steps, benches, swim-outs and shallow water areas – as well as larger pool areas.

The **water-cooled light** is energy efficient and is supplied with Aqua-Quip's industry-recognised **Plug Kit**, ensuring simplicity of installation.

Pro Series RGB+W allows multi-colour operation with true **Cool White** included.

EvoLV can be installed into a dedicated Niche – or into 50mm PVC Pressure Pipe.

Compact 49mm Diameter
