

QC SERIES

LED POOL LIGHTS

AQUAQUIP

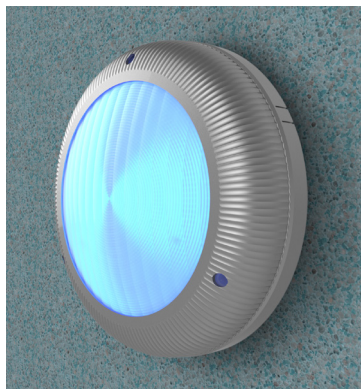

aquaquip.com.au

Compatible with
InstaTouch™
**SMART LIGHTING
CONTROLLER**

Aqua-Quip's QC Series Surface Mounted light is the ideal choice for new pools and retro-fitting older style lights.

- Stylish art-deco construction with robust mounting hardware makes it ideal for all surface-mounted applications.
- The Quick Connect Plug Kit enables simple installation for both new pool construction and when used to replace other brands.
- The QC Series Light incorporates Variable Voltage Technology, allowing the light to be operated from voltage ranging from 12V AC ~ 32V AC.
- Large lens diameter enables greater illumination.
- Available in fixed colours of blue, white and warm white – as well as multi-colour.
- Multi-colour lights can be operated from Aqua-Quip's InstaTouch Smart Lighting Controller, a wall switch or a variety of third party control systems.

Now available with
**Metallic-look
Dress Ring.**
